

# HARBOR ECHOES

July 2008

Dear Friends

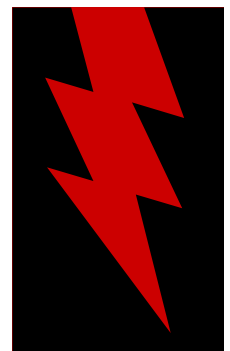

As of this writing the construction project is, with the exception a few loose ends, complete! I don't have to tell any of you what an adventure this has been. I want to thank all of you for bearing with us during this project. Your patience and understanding have been remarkable and have been greatly appreciated by our entire staff.

We still have a lot of the season left and I encourage you to watch for upcoming events that include The WYC Antique Car and Boat show, our 7th annual boater block party and more... ENJOY!

As always, please feel free to share your thoughts and suggestions with us.

Best Regards,  
Brion O'Dell  
Marina Manager
